What is a
PACKATHON?

People ages 5-105 work to assemble together four ingredients: rice, soy protein or pinto beans, dehydrated vegetables, and vitamin powder. These ingredients are repeatedly bagged, weighed, sealed and boxed during a two-hour shift. These boxes will be designated for F.R.E.M. Orphanage & for the Valley of Hope community in Haiti and families in the Nashville area.

Feed one child for up to an entire school year in just two hours!
